Camp Med-O-Lark (<http://www.MedOLark.com>), an arts camp in Washington, ME, is looking for summer counselors with experience in fine metals, vitreous enameling, beading (including making beads/pendants with polymer, resin and wire work) and other visual and performing art forms.

Camp Med-O-Lark is a both a visual and performing arts camp with campers between 8-16 years old. Dates are from June 16 to August 20, 2015 (the 1st 10 days are Staff Training time). Starting salary is \$1,750 for 1st year counselors who have completed at least one year of college.

The job also includes living in a cabin with campers and having night activity responsibilities, along with a generous time off schedule. Room and board (including vegetarian, not vegan, choices) included. Only non-smokers need apply. This is a summer job that is loads of fun, gives you the opportunity to meet others from all over the world (both counselors and campers), and allows you to teach what you love to do - enameling, beading or making metal jewelry!

Current Jewelry Studio Offerings where counselors are needed:

Metals: we teach basic jewelry techniques with silver, copper and brass. And we work with the Enameling Studio as needed.

Enameling: we teach Cloisonne on fine silver and copper enameling with both grain and liquid enamels in a variety of techniques including sgraffito, stenciling, etching for Champ-levé and Basse Taille (we have a rolling machine), scrolling, Ginbari foil, raku and more.

Beading: we teach stitching (off loom bead weaving), wire work, working with polymer, some stringing and resin work. This program is geared towards working with seed beads, but we have extensive bead inventory of various types to augment designs. We even make French Beaded Flowers for hair ornaments.

For more information about the jewelry programs, please contact our enameling/metals/beading coordinator: Karen L. Cohen at karen@kcEnamels.com or call 845-597-8386 between 12noon and 8pm EST.

Camp Med-O-Lark also needs counselors in the following areas:

Other visual arts including candle making, basket weaving, painting, pottery, drawing and more; Performing arts including drama, music and all forms of dance; Waterfront – including lifeguards and more; Skateboarding counselors for our Skate Park; Culinary Arts instructors; Sports for sports activities; Circus Arts nstructors; and more.
